PROJECT Wreckless
PROVIDING TOOLS FOR LIFE
69% of high school dropouts claim that adults in their life did not expect them to perform.

Expect more from them and more from ourselves.
PROJECT WRECKLESS IS A CAPACITY DEVELOPMENT PROGRAM TARGETING YOUTH IN OUR COMMUNITY WHO ARE MORE LIKELY TO DROP OUT OF SCHOOL, ABUSE SUBSTANCES, AND/OR ENGAGE IN CRIMINAL ACTIVITY.

PROJECT WRECKLESS PROVIDES TOOLS FOR LIFE THROUGH AN IMMERSIVE CURRICULUM CENTERED AROUND THE RESTORATION OF BADASS CARS. WE DON'T JUST PROVIDE TOOLS AND SUPPORT. WE EXPECT MORE OF OUR YOUTH SO THEY GAIN THE CONFIDENCE TO EXPECT MORE OF THEMSELVES.
1.2 Million Students Per Year

1 Student Every 26 Seconds

7,000 Students Per Day

U.S. Dropout Rate
More than 10% of working age drop outs are unemployed. That’s double the national unemployment rate.
Dropouts are 3.5 times more likely to be arrested and 8 times more likely to be incarcerated than high school graduates.
As they cycle through 7 job functions, each with a unique set of responsibilities, the 12 participants collaborate to get the project to the finish line. From the practical skills of rebuilding a car to the fiscal responsibility of keeping the project on budget and on time, the 7 job functions are not only essential to the completion of the project, but also challenge each participant to expand their own capacities.

The program instills self confidence, and strength of mind and character through the meaningful guidance and support from instructors and mentors. Participants are held accountable for their commitment to the program, to their teammates, and most importantly, to themselves. Project Wreckless is a quantitative, results-driven program at its core. The transformation of the car from a rusted pile of parts to a one-of-a-kind show car is a tangible metaphor for the impact Project Wreckless will have on its participants.
On Day 1, participants experience an inspiring juxtaposition between what is and what can be, as they first meet their Project Car right alongside one which is nearly fully restored.

A 1 month overlap with the preceding group gets new participants excited about their upcoming project, as they help the incumbent group finish their Project Car and learn what to expect and how to succeed from peers who are fast approaching the finish line.

Throughout the 7 month program, participants cycle through 7 job functions, each with a unique set of responsibilities, collaborating to see the project to fruition.

Once the 7 month journey is complete, the graduates attend a national car auction where their finished car will be auctioned off to the highest bidder. 100% of the money generated from the sale of the car will go back into Project Wreckless as we continue to invest in our youth.

Graduates from the program will be part of the Project Wreckless team for life. We will continue the positive impact on our graduates by engaging them to participate in the program as mentors, funding scholarships, assisting in job placement, and offering free weekly shop time.
Project Wreckless works with the local police, community leaders, graduates of the previous programs, and community residents to recruit at risk youth in the neighborhoods that Project Wreckless serves.

With the leadership team's support and guidance all participants will be enrolled in school or actively pursuing their GED.

We provide all participants with a drug and violence free safe place that they can earn access to 24/7.

We provide Health, Dental and Vision insurance to all the participants.
# Unique Responsibilities

Each participant spends 12 weeks in the Mechanic role and 2 weeks in each of the other 6 roles.

<table>
<thead>
<tr>
<th>Role</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Mechanic</td>
<td>Learn practical automotive skills to deliver the hands on labor to restore the Project Car.</td>
</tr>
<tr>
<td>Program Manager</td>
<td>Team Leader. Decision maker.</td>
</tr>
<tr>
<td>Accounting Manager</td>
<td>Maintain the budget for the build. Monitor donations, mock payroll, and cash flow.</td>
</tr>
<tr>
<td>Human Resources Manager</td>
<td>Help the team effectively communicate, collaborate, compromise, and problem solve to reach the desired goals.</td>
</tr>
<tr>
<td>Parts Manager</td>
<td>Order and inventory all the necessary parts and tools to rebuild the vehicle.</td>
</tr>
<tr>
<td>Safety Manager</td>
<td>Communicate and adhere to protocols to ensure the safety of the participants at all times.</td>
</tr>
<tr>
<td>Community Manager</td>
<td>Engage the community, donor prospects, and government agencies through social media outlets and in person meetings.</td>
</tr>
</tbody>
</table>
HIGH SCHOOL GRADUATES EARN A NATIONAL AVERAGE OF $672,000 MORE OVER A 40 YEAR CAREER.
VOCATIONAL HIGH SCHOOL DROP OUT RATES ARE \( \frac{1}{2} \) OF THOSE AT COMPREHENSIVE SCHOOLS.
INCREASING GRADUATION RATES BY JUST 10% WOULD PREVENT OVER 3,000 MURDERS IN AMERICA EACH YEAR.
